The Hangar Theatre's summer training program for high school aged actors is looking for motivated young men for its College Prep Program. Only three slots are available. This program takes place between July 26 and August 15 and involves dynamic classes taught by industry professionals and a performance opportunity in a new adaptation of the classic drama *Spring Awakening* at the Hangar Theatre. Teachers include: Hangar associate artistic director, Wendy Dann; Ithaca College professor, Norm Johnson; Broadway and film casting director, Stephanie Yankwitt; and star of Broadway's *In The Heights*, Andrea Burns. *Spring Awakening* is being written and directed by Hangar associate artist Jesse Bush (director of *Once On This Island*).
